

Greater is He That is in Me

Luke 11:21-22 **When a strong man fully armed guards his own dwelling, his belongings are undisturbed** (his property is at peace and is secure). (22) **But when one stronger than he attacks him and conquers him.** He robs him of his whole armor on which he had relied and divides up and distributes all his goods as spoil.

The Word of God speaks of **two complete sets of armor (panoply)**. Today we will understand it is not just about declaring something but being consummated with and becoming One with that which is greater.

I John 4:4 Greater is He that is in you, than he that is in the world!!!!

Not just head knowledge, but that you may know Him in the power of His resurrection, (Phil 3:10). Let's look at this scripture. You know the only reason His Word doesn't manifest is (the Bible gives us the answer), because we don't believe and appropriate what the Word says!!! We say we believe but do we? We go to the physician first; we figure how to solve our own problems and then when nothing works for us, THEN GOD???? Do we totally trust and believe what the WORD says??? Let's read Philippians 3:10 in AMP. **"That I may know Him, perceiving and recognizing and understanding the wonders of His Person more strongly"**, not after you physically die, but that you appropriate His inheritance here on the earth, **"and that I may in that same way come to know the power out flowing from His resurrection"**. Did you hear that? In that same way to know Him, in that same reproducing power, after His same nature! Weren't we begotten of the same seed as Christ, the incorruptible, immortal seed? Then why do we fall back and depend on our own knowledge and desires and what the world says instead of the life of the Spirit that we are to live and walk in? **"And that I may so share His sufferings"**, Oh we don't want to hear that, no, because most people want a "goody God", what God can do for them. That is why there is only a remnant that is really willing to become a living sacrifice and be conformed, transformed into His image. (11) **"That if possible I may attain to the resurrection (that lifts me) out from among the dead, (even while in the body) spiritually dead"**.

Men and women go through a religious motion, and never understanding their true identity, live in a sustained lifestyle instead of walking and living in God's full inheritance of what He purposed for man.

We are living in the greatest time in the history of the universe, because I believe with all my heart that God is revealing His Wisdom and

understanding to His Sons. Just like the tribe of Issachar – they knew the times and seasons. God is revealing and giving understanding and vision for this kairos moment for this age. Not only for a greater revealing of the Christ within, but that the world would know there are a people, apprehended by God, who truly hear and know what God is doing in the earth for His glory. Remember what Colossians 1:26-27 says, It has been hidden for generations, ages Christ in you the hope of glory!!!! They knew the times and seasons of God, His prophets are rising up to be a voice in the land to summons His priesthood to rise up in His Spirit.

Galatians 4:6 God has sent forth the Spirit of His Son into our hearts. The Old Testament was a rehearsal of things to come, an example of what God had in store for a generation who would rise up in His image and likeness of what He ordained from the foundation of the world! That no longer it would be a rehearsal but a reality! We have already experienced Passover-Salvation- New birth; we have experienced Pentecost the baptism of the Spirit – the foretaste of our true inheritance, being enveloped in our true nature, where the Spirit rules instead of our carnal nature!!! It's not about titles and labels and what gift I have, NO, NO, It's about being in Him, His character and nature. When we put Him first and our life is in Him all those characteristics and manifestation will automatically manifest in us. IT'S HIS NATURE!! SPIRIT LIFE! This is the hour. He is preparing us to experience and walk in Tabernacles; everything He is, His fullness, His dominion and His authority in the earth! That this too, may be a reality, manifesting in a people on the earth!! Doesn't the word say:

I John 4:17 As He is so are we in the earth today??????????

In Ephesians 6:11,13 it says to: Put on the whole armor of God, that you may be able to successfully stand up against (all) the strategies and the deceits of the devil.. (13) Therefore, **put on God's complete armor, that you may stand your ground on the evil day and having done all to stand. It says stand, stand in what? The Word, Christ Jesus that overcame death, hell and the grave. That pretty well takes care of everything that would cause any harm, lack or hindrance in our life. So the real question - if this is true, why don't we have it, possess it??Because we truly don't know and understand our true identity and our authority of what the Lord did on the cross for us. In the book I just finally finished, it really clarifies the areas in detail. I pray as it has set us free and is teaching us His full counsel to walk in, that it will bring His people out of religious bondage and set them free like it has us!! Amen!**

Everybody wants to fight the devil, fight this cause; we are always fighting the enemy. When we truly understand the Word, we learn that we stand on the authority of what Christ did on the cross. He nullified everything that voided or was subservient to His life for mankind. As we stand in His finished work of what He did, in Christ, we have dominion and authority over all things, just like Hebrews 2:8 says we do!! For You have put everything in subjection under his (man's) feet. Now in putting everything in subjection to man, He left nothing outside of man's control. But at present we do not yet see all things subjected (given) to him (man).

God has given man all things!! This is powerful isn't it? Then why don't we possess and have all things?

We don't know our inheritance of who we are and what we possess in HIM!!!!!!!!!!

We listened to every Tom, Dick and Harry and never read and study the Bible for ourselves. So we have lived in lack of knowledge that has kept us in captivity.

The Lord gave us examples, patterns and types in the Bible for us to follow. He is no respecter of people. What He will do for one He will also do for others, if we will meet the requirements.

Peter is a good example of this. God's life, environment, atmosphere was available, or should I say made available to Peter and He believed, had faith in the Word- Jesus!!!! Now let's see what happened. The firmament submitted to the higher order or dimension, or should I say His authority superseded or dominated the atmosphere!! Peter walked on the water, he walked on the word!! Peter walked on the creative power (Spirit life of the Word)!! He had dominion over the elements, they became subject to Him. Isn't that what Hebrews 2:8 says? That God put everything in subjection to man, but MAN HAS NOT SEEN, comprehended it YET!!! That is powerful!! It also says He left nothing outside of man's control!! So the million dollar question is why are we not in CONTROL???? Why do we not have dominion and authority in all things??? Because we don't understand our true identity in Christ Jesus. We are waiting to die to possess it and the Word of God says "today is the day of Salvation, today you may enter His rest". Salvation is not just having an experience of asking the Lord into your heart and recognizing He died on Calvary for you. It is appropriating what He did so you can walk in it.

God is calling forth a people in this last hour to walk in that resurrection power. The world is celebrating Easter Sunday today, but in reality God is crying out to a people to be the resurrection of His Word and His Spirit in the earth. That's the union of communion. And I thank you Lord that the Word that you've given to me today will have such understanding and such revelation that it will open people's eyes to their true identity in you and the purpose of Your resurrection. I thank you for the clarity of your Word today, that they will understand and see and possess what you created them for, and the destiny of their inheritance in You and through You. Amen! Praise God! You know it's hard to get out of tradition. Just like Adam and Eve, they were tempted in the tree of the knowledge of good and evil and we have been born into that reality of the world's traditions and systems. Amen? And so we get accustomed to customs that were birthed out of Babylonian, pagan worship. Do you know that Easter was birthed out of pagan worship? You know, it's hard isn't it? But we can see the distortion that takes away Christ from being first in everyone's life. He gives us the victory, the joy and the protection for eternity for us and our children, and their children's children, and their children's children. And because of lack of knowledge we're in captivity.

If you will turn with me to 1 Peter 1:3 says; "Praised, honored, blessed be the God and the Father of our Lord Jesus Christ the Messiah by His boundless mercy we have been born again". If you birthed a child, women, you birthed a child. Do you need to birth them again once you birthed them? No, they're on their way to growth, amen? In the Garden, He created Adam and Eve and put them into His Garden into His atmosphere into His environment, are you following me? Adam and Eve defiled, yielded to the lesser realm than the God given atmosphere of Spirit life that God created them to live in. They contaminated it by sin; that's why He sent His Son to the earth. He gave the earth to man to multiply, subdue and have dominion and inherit all things in Him. Christ died to restore man back to the original state, not just to be sustained like Adam and Eve but to inherit all things that they never accomplished because of their sin. Through history, through time, sin has grown because man would rather satisfy His own desires and yield to the things of the world and be his own self-made person, than to depend on God. Really you know, that's exactly how religion was birthed. Man was not willing to wait to get his direction and instruction from God so they birthed their own religious system. It satisfied the flesh and it's still going on today in the name of the Lord. The sad part is, we have gotten so far away from what Church is, we don't even realize the magnitude of the influence of

man's flesh versus the Spirit. The only thing that He's going to bring victory to and success in, is what you birth in Him, so everything that's birthed out of the world or man is not of Him. That's why He allows, I didn't say He caused them, but He does allow destruction and disaster, trials and tribulations in our lives to reveal to us, what we truly depend on as our source. And if we will trust Him with a humble broken spirit He will transform us into His glory. That is what the word says in 2 Corinthians 3:18. As we allow the veils to be removed in truth, as we continue to behold, perceive, conceive the Word, it will continually change, transform us into His very own image and likeness from one degree of glory to another!

God is doing a great work in the earth to those that will hear and heed and humble themselves and wait upon Him. You know I lived in the religious world for quite awhile and what I thought was God was just a camouflaged, white-washed front, a counterfeit of the true character of God. It was a form of godliness but denying the power; just religious traditions of man that brought me no life, or anyone else. A little dribble here and there, but no real transforming life that caused me to grow up in Him, but depended more on my peers, to promote me than God. Then one day, when I ended up at the doctor's office and he said to me, "what is wrong with you, I have never seen you like this", and he went to prescribe some valium for me, I stopped the boat right there and began my quest to find the true and the living God!! I didn't even take aspirin let alone I am going to take a valium, no way! This is not God; here I am an ordained Minister of the Gospel??? What Gospel is it??? They loved me one day and didn't want me around the next. Please! This is not God! When all I wanted to do was serve the people and help see them delivered, I felt I was on a rollercoaster ride and couldn't get off!!

Then I cried out to God and He began to teach me through Truth, which He is. You have to be honest with yourself and be responsible for your actions and attitude and stop blaming them on everyone else or the devil made me do it. That is why I wrote the book. These truths set me free, and our church body, and it will set you free. I pray that God will so use it to bring understanding of His truth to His people that they can hear from God themselves. It's about where we really are and where we are going. It takes the 1st Adam, the physical nature, out of the picture and Satan out and reveals our true identity of what God had purposed for those who truly are called by His Name.

I don't care how God does it, I don't care if anyone knows I wrote it, I don't care if I get a dime for it, all I want from the depths of my heart, is to see it bring His people out of religious bondage and be effective like it has been to us. His Word is Truth, His Word will set the captives free and His Word is life and the light of man! I like what the Lord said to Maria, don't look at what's right and what's wrong, look at what my Word says, and no matter what if you will line up with my Word, you will produce life in all situations. Remember He said do not eat from the knowledge of good and evil. DO NOT EAT, participate, of the KNOWLEDGE OF GOOD AND EVIL. We skip over the word good don't we? Well I am a good person, yes but good does not produce life – only the Living manifested Word produces life because it is birthed out of Christ!!

Jesus was spit on, kicked out of towns, He was mocked and blasphemed, and because He didn't come in a big palace, dressed with a big robe with great wealth, the religious world did not accept Him. Did you see the Passion? It's not going to be any different for us. We have a tendency of saying, oh, for the cause of Christ, I'm being persecuted, but most of the time it is God allowing us to be stripped of our carnality. Because of bad choices, bad habits, we suffer the consequences and when it doesn't turn out the way we want it to or it back fires on us, we blame it on the devil. I truly believe most of the things that happen to us are because of our lack and foolish choices and bad habits. Don't misunderstand me, there is an adversary, and he is our adversary, but when we are in Christ, Satan is under our feet and God is GREATER!!

The Word says in Hebrews 4:12 that the Word is a two edged sword, it has two sides to it, it does two things. The Sword, or I could say the finger of God, goes in and separates that which is of the soul and that which is Spirit; and anything that is not of Him, He puts His finger on or should I say He sends His Word, His Sword into that area of our lives and lays it open, reveals that which is hidden, cuts into our darkness, if we will humble ourselves and see our error, sin, lack, disobedience and repent, He will pour in the oil and the wine to bring deliverance to bring the freedom to resurrect us. Amen?

So in 1 Peter 1:3 it says that by His boundless mercy we have been born again to an everlasting hope, and ever living hope through the resurrection of Jesus Christ from the dead and we understand that when He died we died, and when He was buried we were buried, and when He arose, we arose. But

you see we preach that message but we don't understand that message. When we arose in Him, did you hear that, when, not we are going to, but **when we arose** in Him. When we realize and depend and trust in who He is and what He said, no matter what the circumstances no, matter what the opposition, I'm at peace. When I rest in Him, in what He accomplished on the cross, I am complete in Him. I cannot be moved, because I know He works everything out for my good according to HIS purpose. Nothing can come against me, hurt or destroy me, when I am in Him. He is my Beginning and my End, He is Alpha and Omega!!! He is the Beginning and the End and everything in between!

I Peter 1:4 says, "Born anew into an inheritance which is beyond the reach of change and decay, **reserved in heaven for you**". There are treasures; there is an inheritance that you will only get in the heavenlies, spirit realm!! It's not just about praying, it's about being one with the Word; you pray the Word. So you have to know the Word, to pray the Word. Amen? It's reserved in Heaven for you. Verse 5 says, "who are being guarded, by God's power through faith, until you fully inherit that final salvation that is ready to be revealed for you in the last time". You see redemption is complete, He died on the cross whether you believe it or you don't believe it. The fact is that He died for you and your sins have been paid in full, but now you have to learn to appropriate the Christ in you, be enveloped with His nature and character. Multitudes of people are going to get saved today, but the problem is, they don't know what salvation is. Salvation is not just asking Jesus in your heart, coming to church and paying your tithes. That's an attribute of the manifestation of putting your God first in your life. The real issue is that Jesus said, "I'm going to build the church and the gates of hell will not prevail against it". You are the church, and the Christ the Son of the Living God wants to be an expression, manifestation in a habitation of a people in the earth!!! Thy kingdom come Thy will be done on earth as it is in heaven!!

It says stand still and see the salvation of your God. God wants a people not to just get saved, but to come into perfection (maturity) and possess His character and nature, so that they can rise up into the authority of the cross; but first you've got to taste the cross before you can walk in the cross. To know Him in His resurrection; but the end of that verse says in Philippians 3:10 "that I may so share His sufferings and be continually transformed (in Spirit into His likeness even) to His death". This is the baptism of fire, of purging and a sifting until it is no longer I that lives but the Christ now lives in me. This is what separates the men from the boys, the chosen from the

called. Everybody likes the labels and titles, but the proof is in the pudding!!! And it shows what kingdom we're made out of, who we really love, what is first in our lives.

Just like Romans 12:1 says; "I beseech you brethren by the mercies of God that you present your bodies a living sacrifice". So you say you want to be a Priest, a Minister? I've seen a nation transformed before my eyes from a heathen, communistic state, to twenty one thousand Christians marching down the streets of Kiev declaring Jesus is Lord! There were a people that paid a price for that freedom. Like the Lord spoke to me when I first went there, He said many have labored before you and now you are reaping their labor. There is destiny inside of you, treasures inside of you, and your test is to give up the self life for the divine life. The test is the cross. To know Him is to know Him in His suffering. See, your spirit is reborn, it's been awakened out of sleep, you have been set free from the law of your carnal nature, your soulish realm, your emotions. Feelings won't rule you anymore, but you will be ruled by the Spirit of God which is the life of the Word of God, which is who God is!! Your Spirit has been saved, your soul is being saved and your body shall be saved.

Resurrection means that no longer does the carnal nature have dominion over you, but now you've have to recognize your inheritance and authority of the Word and rise up and apply it, appropriate it, in your life. Christ destroyed all principalities, powers of death, hell, and now I must appropriate, stand in Christ's nature, which now rules me. People get a word of knowledge and a couple of revelations, and all of the sudden they know the whole counsel of God. It's taken me a lifetime and I still haven't touched the surface. So after you get saved, your spirit has been awakened, not only is He Savior and that you acknowledge that He died on the cross for you, but now He wants you to live from the cross, that He can become Lord of ALL, Yes ALL of you!! Salvation deals with your soul, your emotions your feelings, your senses. Your spirituality is not governed or distinguished by your emotions or your senses or by what you feel. That has nothing to do with your spirituality. It's a manifestation of your response to Him when the Spirit of God touches you. He is teaching you His presence and awakening you to His supernatural dimension that you are not accustomed to. He uses our natural realm to get our attention so we will pursue Him; He woos us until we are only moved in the sovereignty of what His word says and not what we feel. It's the way He tells you that you're going in the right direction, He kisses us with His presence, but we don't live on those feelings

and emotions, we live in and through what the Word of God says, because it will never fail you or let you down. It is yes and amen.

There is a powerful release that's going to happen this year. He is going to reveal religious carnality for what it is so that the real Christ will rise up in a people to show His glory and His power. We're on the greatest transition in the earth right now. God's visited me more in the last two months than He has in my whole life. And I'm going to teach you something very powerful today about the resurrection, and if you will listen you will leave here and live in victory! That's how powerful this word is. You don't have to live in defeat, you don't have to live in frustration and anxiety, you don't have to feel second best. You don't have to feel insecure. And I know that all these things I just named, that no one lives there, because if you haven't I've lived in every one of those dimensions. Insecurity, fears, okay we all have, because we're all human and we all live in the world. But I'm here to tell you the power of the blood is not just getting saved and coming to church. It's about being in Him and superseding everything that exalts itself against the living God in you! In other words, everything that is not of Him, that doesn't produce life in you, He has given us dominion over, and superseded every dimension of our carnal nature. Everything in the world that is not of Him, He gave us victory and freedom over it! That is what He did on Calvary, He prepared and completed all things for us and the Word says we have not yet seen it, comprehended it, yet!!! Hebrews 4:3 Seen what? Comprehended what?? His finished work, that the same Seed that The Father birthed in the earth abounds and lives in us!!! Resurrection power, reproducing power!! That I may know HIM!!!!!!!!!!!!!!!!!!!!!!

In John 1:12 it says; **But as many as received Him, to them, He (the Word, the Seed, Jesus) gave power (to reproduce, have liberty, strength, ability, authority) to become the sons of God even to them that believe on His name.** That says it all!! So what is the real issue???

Receive means to acquire, to take, to hear or see, to have, to meet with, to perceive and partake of.

Believe means to accept as true, to expect, to have faith, to have confidence in and to trust.

This is the major issue, we say we believe and totally receive Him, but do we? If we did, the word says; "if we believe we will see the glory"!! The

glory is His weight, His substance; it means to recognize someone or something for what it really is.

It's about believing what He said and living it, and the only way we can live it is if we learn how to live from the cross, of what it stands for in its fullness. **You are complete in Him!** Whether you believe it or not does not take away from what He has already done for us. **The real issue is WHAT WE BELIEVE!!** To what degree do we believe depends on the victory and freedom we walk in!!! The cross is to know Him and the power of His resurrection. And the power of His resurrection is the power of His death, your death, His burial, your burial and of course His resurrection was your resurrection!!!! The whole purpose He died, was to deliver you from the law which is our physical carnal state that Adam and Eve yielded to, instead of living in God's environment which was Spirit life. Of WHO and WHAT God is; Spirit and Truth, which is His Word of WHAT HE SAID and WHO HE IS! Doesn't the Word say in I John 4:17b that "as He is so are we in the earth today"? Are we??????????

Veils, carnal nature, blocks us, blinds us from our true identity and reaping the benefits of our inheritance, of what God intended for us. Because of lack of knowledge we are in captivity!!! We are blinded from our true identity of what He did for us. As long as we put God in the future we will never experience and walk in the inheritance of the NOW! You have been resurrected in Him of His incorruptible Seed, what His Word says, not what the world says, not what your carnal nature says, but what Christ says you are!!! And that's the transitioning power of the resurrection. You can operate in resurrection as soon as you believe in what He accomplished for you on Calvary. He said it is FINISHED!! What is?? You are complete in Him. You don't have to wait to die to have His inheritance. You don't have to wait to die to walk in this freedom. But you do have to recognize that your carnal nature, 1st Adam, has died and no longer has dominion or rules, but the Christ in me now reigns.

This year is the Year of Vengeance and Destruction to the world and sin of Satan's kingdom. Destruction to everything that's not God. God is allowing tribulation and opposition to remove everything that is not of Him, that separates us from His fullness. All insecurities and fears and dependency on what we feel and think, that is in opposition to His Word. He's going to deliver us from all these things to bring us into His awesome freedom, to be able to declare and proclaim the knowledge of the glory of God, that the

world can see a people, full of Christ's character and nature, manifesting in the earth. Not religion and entertainment, not a sweet story, but a real manifestation of a people that have been submerged in Him. Just not talking about it, but living it! Because with all the religion in the world, with all the churches in the world they haven't changed the world.

How many tornadoes are we up to now? Over 500 tornados, you think God's speaking?! I told you, God said the tornados were coming. This is just April and it has bypassed the record of all the statistics by double. Did He confirm it in the natural? This year is not even over. We're only in April, and there has been over 500 tornados recorded already. You think God is speaking, oh yes He's speaking. And what He is doing in the physical you count on it, He's doing it in the Spirit.

The Spirit of God is riding in the winds right now. I can hear the sound, there is an authority going through the land and He's raising up Zion in His Glory, and His glory is His presence, His character and nature. And He says "Be Holy As I Am Holy". Commitment, you know what commitment is? Putting your whole life down for Him; not on your time but His time. That takes most people right out of the running right there, because America is the most undisciplined, excessive behavioral people in the earth.

The scriptures speak of two complete sets of armor. That of God's people and that of the enemy, this armor in Greek is panoplia from which we get our English word panoply in English. The word is used only twice in the New Testament and it first refers to Satan and the second refers to us. Now I'm going to tell you what a panoply is. A panoply is that which **covers and protects** and it's also **means weapon**; complete arms and armor of a warrior. The real issue we are going to discuss today is – who is the stronger?

That depends whether we walk in victory or defeat. The reason we don't have benefits of our inheritance is that we don't know we have them or that they truly belong to us, or we don't know the degree of access we have to them. By the grace of God this will open our eyes to our true inheritance and walk in the fullness of what God purposed for His children!!

In Luke 11:22 it says, "when a strongman keepeth his palace, his place, his goods are in peace". I didn't understand this but a week ago the Lord spoke to me and said, "Satan can only have authority or power in his domain, his place, his rule of where he has jurisdiction. Satan can only have power,

Satan can only have rule, Satan can only destroy that which is in His domain.” And I said “What?” And then He took me, see whenever He tells you something He’ll always confirm it with His Word, but I didn’t know he was going to lead me to this message and I stuck that little note away.

Whenever He speaks to me I write it down and I put it away in a place where when He brings it back to my remembrance I can go back and I can pull it out, So I had to go back yesterday and pull it out. God is good is He not? I looked at one of Maria’s outlines, and I’m going to use one of the scriptures she used because it lines up with what I am sharing with you. **Hebrews 1:5** says, “for to which of the angels did God ever say you are my son today **I have begotten you established you in an official sonship**”. He didn’t say you’re going to get there, **it says He has established you**. He didn’t say I’m going to, come on, get excited; He didn’t say I’m going to establish you, He says **I have already established you**. When He died on the cross, He already established you, restored everything that was robbed from man, which was His true identity and inheritance of who he is in Christ Jesus.

Now we have to learn the truth, and the truth will raise you into the power of the cross and the cross will bring you into the inheritance of resurrection to cause you to have dominion and authority of what God had ordained for mankind from the beginning. Think of the thing you want to do the most in the earth. Now you are going to do everything you can to achieve that success, okay, but you’re limited, you’re limited because you’re subject to who’s in control and the authority of the dimension that surrounds you. Your access and availability of that environment is always conditional on who is in control of the success or defeat of it. It all comes down to who is in control which depends on the victory or defeat of anything. We can relate this in our life at work, home, school or wherever we are. So you’re limited, because we live in an atmosphere that is dominated by humanistic goals and ambitions of men. But I’m here to tell you that God has put talents and gifts and creativity inside of you, that He has created for His glory to be manifested in the earth. To bring forth life and be the head and not the tail!!

There are qualifications and when they are met, His law comes into being. It is not a law of doing, it is the law of Spirit, that every living thing reproduces after its own kind. Flesh births flesh and the Spirit births Spirit which is life!!! When you totally submit to Him, His will and purposes, His law supersedes all other dimensions and He gives you unlimited access and

bypasses them all and takes you into the dimension of the supernatural who causes all things to submit and surrender to Him and what He represents!!!

As He is so are we in the earth today!!! How is HE!!!! Everything is subject to Him and every knee will bow and confess that Jesus Christ is Lord!! That's why He went to Solomon, and He said, "Solomon, what is it that you want?" God's asking you, He's testing you, what do you want? But you see, you've got to give Him the right answer. He says "What is it that you want?" And Solomon says, "Lord, I want your wisdom". What he was saying was "I want your seven Spirits, of the Spirit of God to rule me", and the Lord says, "Because you've asked this, not for wealth and fame but for my wisdom I am going to give you favor in the earth in all things, you will not only be known for the wisdom I will give you, but you will be known for the favor of blessings of wealth in the earth also". And today Solomon is still known to have the greatest wisdom and wealth in the world. Why? Because he sought and he put God first, he moved into the dimension of unlimited access, bypassed man, and operated in the creative power of God. How do you think you got your talents and gifts? God put them inside of you. They were all created by God. Are you hearing me? Everything you are was birthed from God. All things have been created by and in God. Everything He gave you is of God and we're trying to enjoy and have entertainment, were trying to have great success and protect ourselves when from the beginning of time, God was man's provision, protection and pleasure. Luke 11:22 When a strongman's arm keepeth His palace, His goods are in peace.

He's comfortable in church; you are not a threat to him because you don't know your authority and your true identity. Oh, the church thinks they know but they don't. "But when a stronger than he shall come upon him and overcome him, he taketh from him all his armor and his covering wherein he trusted and he divideth his spoils". That's what Satan has been doing to most of us our whole life because we haven't had all the full armor on. We have not recognized our true identity of our inheritance of what Christ did on the cross.

That's what the Lord spoke to me, He said "Satan only can live or have a place in the carnal realm of man". And He said "awake out of your sleep". Awake out of your slumber, out of your carnality, out of your senses. Awake out of them. Come alive and walk in the dimension and the authority of the inheritance that I gave you, that I can give you what I gave Solomon. He

said, “I’m going to raise you up as Moses and Joseph. And they’re going to come to you from Egypt, Babylon, out of bondage because you are going to have the goods. And you’re going to be My supply house. He’s testing to see what kingdom rules you and what you submit to.

Ephesians 6:11 Put on God’s whole armor. The armor of a heavy armed soldier which God supplies that you may be able to successfully stand up against all the strategies and the deceits of the Devil, for we are not wrestling with flesh and blood. You think you’re wrestling with your husband, wife children, boss?? The conflict is from within. The Word of God says “we are drawn away by our own desires”. (James 1:14-15) The word of God says that “the things that defile a man are NOT from without, but from within”. (Mark 7:15) You see, we have nurtured our selfish desires and ambition for so long, we put God’s name and approval on it and say “God said it” and then when it doesn’t work out we say “the devil fought against us and he did this and he caused that, that’s why it didn’t work”. The truth of the matter is God had nothing to do with it; it was just selfish desires fulfilling the flesh. God is now revealing what is of Him and what is of us. Flesh births the flesh and the Spirit births the Spirit!! Spirit glorifies God and reproduces His life!! The flesh reproduces flesh which the Word says produces death!!! God is allowing tornados to flip us, to reveal what we are made of and who we really serve.

Every time opposition comes you have to remind yourself that you are not wrestling with flesh and blood, you’re dealing with spirits, principalities and powers of the strong man that is stronger than you at that point. Because you’re not stronger than the strong man, he’s taking your spoils. **If you’ll get the revelation of this, you won’t be walking on the floor in here you’ll be walking in air! What I’m telling you is that Satan cannot rob not one thing of yours, if THE SON OF THE LIVING GOD, THE CHRIST in you is stronger than the strongman that is opposing you. If the Word of God is one with you and you are walking and living what the Word says, then Greater is He that is in you, than he that is in the world!!!** It’s not just speaking it; it’s believing it and walking in what that Word says! You can walk in the dominion and authority of it because He has become one with you. The Christ now rules and everything else is subordinate. That’s where God says the “two become one”. (Ephesians 2:15) There is a consummation, isn’t that covenant? What two? It means that your soul, your soulful realm, your emotions, your senses, what you think what the world thinks, everything you are submits to Christ. He is your all in all. You

believe, you stand in what He has already done. He defeated principalities and powers at the cross and now you are complete in Him. “Therefore if any man be in Christ”; “it is not I that lives but the Christ now lives within me”. And this Word in you becomes the strong man. The strong man in you, Christ in you, will take the territory and get back the spoils, because that which is in you is greater than all other strongmen that come against you. But as long as you submit to a lesser dimension, you give it place in your mind, which is carnal, then it has authority there, because it is Satan’s domain. Remember the only place Satan has authority is in the carnal realm of man, your soulish realm.

But what Christ did on the cross is that He took dominion back. He triumphed over death, hell and the grave. He overcame and gave you total entrance through Him; He was the door to walk in the higher dimension, which is Spirit of the life of who He is!!! Who is He!! King of Glory!!! For greater is He that is in you than He that is in the world. We say that, but we don’t live in it. Because if we lived in it we wouldn’t have conflict, we wouldn’t be frustrated, we wouldn’t be offended. It’s what we think...that is our problem!! But that’s your test. Satan only has power in the carnal nature, which is what you think; the Word says we are alienated in our mind! He knows how to push your buttons.

The very spirit you are fighting is usually the stronghold in you, which God is trying to get you to rise above and be stronger in Him, the Christ within. Christ in you the hope of glory. That glory, that character and presence, is not for tomorrow for you, it is for today!!! The very thing that you are accusing someone else of is usually the very demon that God is trying to get rid of in you. No one can steal from you, take your spoils, unless they have an entrance or an open door!!

Everyone blames the devil when it doesn’t go their way or it doesn’t work. The Bible says Satan is the god of the world **to the unbeliever!!!** (I John 4:4) I guess that says it all, if you are an unbeliever he is the stronger one, because the greater ONE doesn’t rule you???? This is the Word!!! How come it doesn’t work? How come he’s still robbing you? You have to declare what the heavens have already said and declared. (Matthew 18:18)

We have to go beyond the veil of flesh, which is our carnal realm. Isn’t that what Christ split in two for us, that in Hebrews 6:19-20 it says that “He went beyond the veil”? He was our forerunner beyond the veil into the very

presence of God that we would have access also!!Did He not give us dominion and authority to have that same access?Are we not born of the same seed???Does not the Bible say that “Greater is He that is in me than he that is in the world”? Doesn’t the Bible say, “as He is so are we in the earth today”? Doesn’t the Bible say that “we are heirs of the Father and joint heirs with Christ Jesus”????Then why don’t we possess it???Because of what we believe!!!The Word says if you believe you will see the glory of God...we must hear what God is saying, so it’s not just a nice message, but we are walking in the Spirit of the day!!!! It is the now word of what the heavens, the Spirit is saying!!! I’m talking to priests! Doesn’t the Bible say we are kings and priests, then how come we don’t act like it?? I’m talking to the deliverers and to giant slayers.

He says “I am the resurrection and the life. He that believeth in me shall not perish but shall have everlasting life”. Oh that we would get caught up in that, but the Bible also says in Phil. 3:14, “That I might know Him, in the power of His resurrection”.

That’s why we have to teach the feasts. 15 days before they went beyond the veil for the blessing for the nation, the High Priests were to afflict their souls, to be prepared to represent the people and the nation before God. Christ went beyond the veil once and for all humanity and became the total sacrifice; that no longer do we live by the law, but Christ nullified the law of flesh, carnality that we may be resurrected in the incorruptible seed and be resurrected in the law of life which is His Spirit! This represented that as we submit ourselves to the Lord, recognizing the Old Adam is dead and has no more power, we are resurrected in His nature and no longer our soul rules but now the Christ, the life giving Spirit rules me. Just like the Feasts it was a rehearsal until it became a reality. The Priest afflicted his soul, he brought his soul under subjection. It didn’t say God did it!! It says the priest did.

Isn’t that what Romans 12:1 is all about? “I beseech you brethren by the mercies of God that you present your bodies a living sacrifice!!!” The Priest’s affliction was symbolic of the death of himself, of his soulish carnal realm in that being submitted to God, he would be prepared to go beyond the veil for the people. You can’t give someone something you have never experienced for yourself.

Just like the Israelites, God gave them manna. It wasn’t good enough; they desired and remembered the onions the cucumbers in Egypt. He delivered

them out of Egypt. He led them to the Promised Land, and they murmured and complained and guess what happened? They never possessed the land. The first thing we have to do is, we have to overcome the strong man; but we have to become stronger than the strong man. The second thing we have to do, we have to take away his covering, give him no place. It says resist the devil and he will flee. It says cast down all imaginations!! That is powerful, where is he? Where is his domain? Yes, in the carnal mind!!!

We have to take away his armor. You, have to take it away!! We must **rise up in the authority of the Word, declaring what He has already done. I am complete in Him, Greater is He that is in me than he that is in the world!!! Standing in the seven Spirits of the Spirit of God, with the helmet of salvation which is the headship of Christ which is the mind of Christ and the mind of Christ is the light of Christ and the light of Christ is the life of Christ and the life of Christ is the Word!!!**

The third thing you have to do is that God wants to divide the spoils of the strong man. Either he is going to take your spoils or you are going to take his! In 90% of the earth, I'm being generous by this figure, I know it is a lot less, Satan is taking the spoils of God's people because they do not walk in the authority and have God's armor on, or I should say living and walking in it. Years ago there was an attempt to teach a militant warfare against the devil. It was shut down before it ever really got started; chaos came to the camp and it never continued, because it was not scriptural. Man was trying to do something that God had already done on the cross. We don't fight Satan. Christ stripped, nullified and destroyed principalities and powers at the cross. The Word says we fight principalities and powers, it is not a physical fight, it is a spiritual fight. **We appropriate and stand in what He accomplished!**

The Word says "stand still and see the salvation of your God"!!! Christ's death was complete!!! He said "It is finished!!" What is!! All things in heaven and earth. Whether you believe it or not does not change that fact that it is done!!! We are complete in Him. The Word says I have been made righteous through the blood of Jesus Christ, (Romans 5:9,8:30). Not I am **going to be**, I have already been made righteous! I don't fight the devil, I stand in unity with what He, (Christ, the Word) already accomplished on Calvary. He overcame (nullified) death, hell and the grave!!! The Bible says that Jesus was tempted in the wilderness and He said, "I rebuke you Satan - it is written..." It is written, that is our example, it is written. **You're**

stronger than the strongman is what's written in the Word. That's your warfare, that's your offensive weapon, your armor, to take the spoils! See, wherever you are battling, whatever your weakness is, whatever your hindrance is, go and find out everything in the Word about it, and stand in the victory of the Word, of what Christ says you are, not what you mind says you are or anyone else. It says once you have found the strongman, he has to restore seven fold. Proverbs 6:31 says, "Once a thief is found out, he must restore seven times", he must give the whole substance of his house. You have to be stronger than whatever is possessing and taking your land.

So in reality, the bottom line is that the things that tempt a man are his own desires. The only access that Satan has is in the carnal mind, the dust realm. And a lot of times it doesn't have to be sin, it can be lack of knowing truth, because of lack of knowledge, we are in what, captivity. Because of lack of knowledge, because you don't know the Word, he's taking your lunch, because you are operating in his kingdom. But through the Word and being truthful with yourself, and identifying the areas, you take authority over them. That's what maturity is, you rise up in truth and you learn to recognize the schemes of the enemy for yourself and rise up in the Word and take authority over the situation and call forth the victory.

Most of the time it is sin or areas of our life that have been neglected; in lack, speaking doubt and not believing and having faith in what God said!!! You stand in the Word over your situation until you step over and you become stronger than the strong man. That's why you are going through trials and tribulations, to strengthen your spiritual muscles to become so strong that you become the strong man.

This is a powerful message because this will teach you how to rise above every area of inferiority, thought, insecurity and doubt, and live and move and have your being in Him.

I have heard many reports of the tsunami and the magnitude of devastation and death that it caused. There was a Mom and her little baby and the waves came and destroyed their house, and the Mom had grabbed hold of a tree. There are two incidents that I heard that I can factually tell you. And a python, a python, the enemy, God will use the enemy if need be to be your ark to save you. And a big python, probably swimming for his life, I don't think they like water too much either, went by and the Mom grabbed on to his tail and the python took the baby and the mother to land, to safety. The

second testimony from that tsunami - we are all aware of this that just happened two years ago - there was a children's orphanage and the man that ran it was a Christian. When the man saw the wave coming, he said to the children, get in the boat. The kids and this man got into the boat; he had seen the wave coming from a distance and the Lord put it in his heart to get the kids and put them in the boat. He started to paddle out straight towards the wave, he is facing the strong man - don't run from the storm, take the cross and the power of the word and paddle straight through it because greater is He that is in you, than he that is in the world.

You see, you've got to face your demons head on, and you say "God is bigger than who you are". You just passed the test, because that's an Isaac, that's putting Isaac on the altar. It's a test; you see all these things are tests to see who your God is.

And he paddled and here comes the wave, and he started to pray and the Lord said, "stand up and declare those things that don't exist as though they do, declare my Word". He saw the wave coming and he stood up in the boat. Did you hear me? He stood up in the Word and He commanded the wave to part. The wave parted and they were on the other side.

That's the power that is within you; because God bypasses the natural realm. That's who the strong man is, he bypasses the carnal realm, He supersedes all dimensions, overrides the firmament, but greater is HE than is in me then he that is in the world. Any storm, any wave, any sickness or disease, any obstacle HE IS GREATER!!! Everything must bow to the feet of Jesus. He bypasses all influence of this world, He bypasses every natural law because HE IS THE LAW OF the incorruptible seed!! Remember every living thing operates out of a law and that law is that every seed reproduces after its own kind!! Oh you didn't get that did you??? What law are you operating out of???? AUTHORITY AND POWER!! He's wants us to know Him in the power of His resurrection. We've got a Word to preach, it's freedom, it's liberty, it's being delivered from the old Adam of the carnal nature, of what Eve partook of; the knowledge, the knowledge of good. Knowledge of good is not good, because it's not good enough to take you beyond the storm, it's not good enough to deliver you from fear, it's not good enough to deliver you from the demons, but the Christ within you is bigger than the storm, bigger than the fear, bigger than the insecurity, bigger than any opposition!! That's the power of the resurrection. It's the Tree of Life that produces life!!! He says you have the mind of Christ, it is the Word of God and in

Him you will rise above the storms and you will take and possess the land that God has for you and your children and your children's children!! Amen? Christ fully triumphed at the cross. Satan was robbed not only of his power (dudimis), his ability to perform his works of evil; but also of his authority, his right to dominate the Adam race and the kingdoms of that world and our world. Jesus said to his disciples, behold, see, perceive, I give you power, dudimis. The power comes from the manifestation of the promise of who He is and standing on the oath of Himself, which is His Word. Behold I give you power to tread on serpents and scorpions, and over all the power, the dudimus, of the enemy; and before He went away He promised that we would be endued with power from on high. Satan's covering, his armor, has been taken from him; for Christ spoiled, destroyed principalities and powers when He died on the cross.

In Colossians 2:15. The word spoiled means he unclothed them, He stripped him of his armor of his panoply (weapons), he stripped him of everything of dominion that he has in you. We've got to rise up in the greater One, beyond our carnality of what the world dictates, of what religion dictates, but what God dictates, which is His Word. How can he continue to harass and torment the people of God? He has done it, by magnifying darkness through fear, torment, unbelief, strife, jealousy, conflict, resentment, bitterness, hate and division and we could go on with the deception of one form or another. But the Bible says that he is only the god of the world **to the unbeliever**.

You see when we give him place in his domain, which is in our mind, it's our carnality, he has authority there, in the old Adam, in that old nature. That's why Christ died. He died and destroyed the power of that old nature of its rights and authority to us, but now we have to appropriate the incorruptible seed that is within us.

We have to feed on the Word; we have to grow up in Him. We live and move and have our being in Him!!! And every time you go through a trial and tribulation and stop making excuses and say "Lord, what is it that you are trying to tell me?" Forget everybody else's mistake. He's dealing with you and He's correcting you and at the same time adjusting and correcting them in situations in their own areas that need to be changed. Hello? But don't worry about them. What is God saying to you? And when you'll do this He'll speak, because you are being honest with yourself. Then go to the Word, of how to destroy that strong man in your life, and apply the Word

until you walk beyond the veil and He floods your soul with victory. Greater is He that is in you than he that is in the world!!!!!!!!!!!!!!!!!!!!!!
